

Long Island Woodturner's Association

October 2004

Long Island Woodturners Association is a chapter of the American Association of Woodturners. Our purpose is to foster a wider interest and appreciation of woodturning on Long Island and in the metropolitan area. We meet the third Saturday each month at 9:00 AM - Noon at BOCES, Wilson Tech Campus in Dix Hills. See the calendar of scheduled meetings for 2004 in our current club newsletter.

Take the LIE to Exit 51 (Deer Park Avenue). Go East on the service road 1 block to Westminster Avenue and turn right. Proceed onto BOCES, Wilson Tech Campus and go to building "D".

The Club offers a wide range of opportunities for its members to improve their turning techniques and enjoy the company of other turners. There are demonstrations by Club members at our meetings. Renown guest turners do 6 hour workshops several times during the year at a nominal charge to club members. A free video and text library is available for their use. Members are invited to participate in our monthly wood raffle. All are encouraged to bring samples of recent work to our "SHOW & TELL" and become active participants. The Club participates in the activities of the American Association of Woodturners and encourages its members to join. Many members attend their yearly symposium.
